1. Aims

Winterton Community Academy promotes attendance to ensure learners are safe, and as part of ongoing safeguarding. By attending Winterton Community Academy, children have the opportunity to meet their educational outcomes, have supportive adults in their lives and are able to share any concerns they have with staff who have a genuine interest in their development.

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance.
- Reducing absence, including persistent (less than 90%) and severe absence (less than 50%).

- Ensuring every child has access to the education to which they are entitled.
- Acting early to address patterns of absence.
- Building strong relationships with families to ensure children have the support in place to attend school

We promote and support punctuality in attending the academy and all lessons.

2. Legislation and guidance

This policy meets the requirements of the [Working Together to Improve School Attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [School Attendance Parental Responsibility Measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Learner Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

3. Roles and responsibilities

3.1 The Governors

- Promoting the importance of school attendance across the school's policies and ethos.
- Making sure school leaders fulfil expectations and statutory duties.
- Regularly reviewing and challenging attendance data.
- Monitoring attendance figures for the whole school.
- Making sure staff receive adequate training on attendance.
- Holding the Headteacher to account for the implementation of this policy

3.2 The Headteacher

The Headteacher is responsible for:

- Implementation of this policy at the academy.
- Monitoring school-level absence data and reporting it to governors.
- Supporting staff with monitoring the attendance of individual learners.
- Monitoring the impact of any implemented attendance strategies.
- Requesting the local authority consider the issue of fixed-penalty notices, where necessary.

3.3 The Designated Senior Leader responsible for attendance

The Designated Senior Leader is responsible for:

- Leading attendance across the school.
- Offering a clear vision for attendance improvement.
- Evaluating and monitoring expectations and processes.
- Monitoring and analysing attendance data (see section 7).
- Devising specific strategies to address areas of poor attendance identified through data.
- Delivering targeted intervention and support to children and families.
- Benchmarking attendance data to identify areas of focus for improvement.
- Providing regular attendance reports to school staff and regular reporting to the Headteacher.

The designated senior leader responsible for attendance is Louise Daveran who can be contacted via school reception on 01724 732 777, or by email at daveran.l@wintertonca.com

3.4 Class teachers/Assistant teachers

Class teachers / Assistant Teachers are responsible for reporting attendance. They will do this by informing the school office of children's attendance through a daily register. Attendance is recorded twice daily. This will be done at the start of the school day and once during the afternoon session.

3.5 Attendance Inclusion Officer

The Attendance Inclusion Officer will:

- Record the child's attendance using the appropriate code
- Take calls from parents and carers about absence on a day-to-day basis and record appropriately
- Call or text the parents/carers of a child if they do not present themselves within 30 mins of the start of the first session. If the academy has not already received advanced notification from parents/carers of the absence, the academy will make contact with home to ascertain the reason for the absence. Attendance is electronically recorded at the academy.
- Deliver targeted intervention and support to children and families.
- Working with the local authority through a multi-disciplinary approach to tackle all absence, including persistent and severe.
- Along with the attendance lead, advise the Headteacher (authorised by the Headteacher) when to request the consideration of issuing penalty notices from the local authority.

3.6 Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day, on time, and equipped to learn
- Call the school to report their child's absence before 08:45 on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than one emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day.

3.7 Pupils

Pupils are expected to:

- Attend the academy every day, on time

4. Recording attendance

4.1 Attendance register

Winterton Community Academy will keep an attendance register and place all children onto this register.

Winterton Community Academy will take an attendance register at the start of the first session (morning) of each school day and once during the second session (afternoon). It will mark whether every child is:

- Present.
- Attending an approved off-site educational activity.
- Absent.
- Unable to attend due to exceptional circumstances.

See appendix 1 for the DfE attendance codes.

Winterton Community Academy will also record:

- Whether the absence is authorised or not (it is the Headteacher's decision to authorise an absence, not the parent).
- The nature of the activity if a child is attending an approved educational activity.
- The nature of circumstances where a child is unable to attend due to exceptional circumstances.

Winterton Community Academy will keep every entry on the attendance register for at least 3 years after the date on which the entry was made.

Children must arrive at the academy by 08:45 on each school day.

The register for the first session will be taken at 08:50am and will be kept open until 09:20am. The register for the second session will be taken in the afternoon.

Children arriving at other times of the day may be marked present if this is part of an agreed plan for example at the request of a medical practitioner.

4.2 Unplanned absence

The child's parent/carer must notify the academy of the reason for the absence on the first day of an unplanned absence by 08:45am or as soon as practically possible by calling the school office staff (see also section 7).

Parents/carers should report absence to the school on 01724 732 777

The school will mark absence due to illness as authorised unless there have been more than three illness-related absences in an academic year, and only when the absence has lasted no more than three consecutive days. Illness beyond three occasions and three days per occasion will be unauthorised in the absence of medical evidence.

In instances as stated above, the academy may ask the child's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. The academy will not ask for medical evidence unnecessarily.

If the academy is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents/carers will be notified of this.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised if the child's parent/carer notifies the academy in advance of the appointment and provides a copy of the proof of appointment.

Parents and carers should request leave of absence by calling the academy office or emailing the academy attendance email address: pupilabsence@wintertonca.com

However, parents/carers are encouraged and requested to make medical and dental appointments out of school hours where possible. Where this is not possible, the child should be out of education for the minimum amount of time necessary and should attend before and after the appointment.

The child's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the academy can authorise.

4.4 Lateness and punctuality

A child who arrives late:

- Before the register has closed will be marked as authorised late, using the appropriate code.
- After the register has closed will be marked as unauthorised late, using the appropriate code.
- Children who are identified as being persistently late will have a meeting called with parents to discuss reasons for lateness and how this can be rectified. Persistent lateness may result in the issuing of a penalty notice where parents/carers will be subject to a monetary fine.

4.5 Following up unexplained absence

Where any child who is expected to attend the academy but does not attend, or stops attending, without reason, the academy will:

- Contact the child's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the academy cannot reach any of the child's emergency contacts, the academy will attempt a home visit to safeguard the child.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than five working days after the session.
- Contact the parent/carer on each day that the absence continues without explanation to ensure appropriate safeguarding action is taken where necessary. If absence continues, the academy will utilise a multi-disciplinary approach and involve local authority partners in order to improve attendance for the child.

4.6 Reporting to Parents/Carers

The academy will regularly inform parents about their child's attendance and absence levels at the review meetings held minimum termly and more often where necessary.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Headteacher will only grant a leave of absence to a child during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the child is authorised to be absent for.

The academy considers each application for term-time absence individually, considering the specific facts, circumstances and evidence, and relevant context behind the request. Request for leave of absence for the purpose of a family holiday is unlikely to be authorised.

Any request should be submitted as soon as it is anticipated and, at least two weeks before the absence, and in accordance with any leave of absence request, the academy may require evidence to support any request for leave of absence.

Valid reasons for **authorised** absence include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail).
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the learner's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.
- Traveller children travelling for occupational purposes – this covers Roma, English and Welsh Romani people, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the academy, but it is not known whether the child is attending educational provision.
- Study Leave.
- Part time timetables and transitions – this should be in accordance with the agreed part time timetable and integration policy and only in very exceptional circumstances, time limited and regularly reviewed.
- EHCP requirements.

5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age

If issued with a fine, or penalty notice, each parent must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority

Penalty notices are issued by the local authority on behalf of schools/academies and the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year.
- One-off instances of irregular attendance, such as unauthorised holidays taken in term time without permission.
- Where a suspended/excluded child is found in a public place during school hours without a justifiable reason.

If the payment remains unpaid after 28 days, the local authority will issue legal proceedings against parents/carers.

6. Strategies for promoting attendance

Staff at the academy are committed to promoting and achieving good levels of attendance in accordance with the academy attendance policy. Underpinning this commitment is a belief that only if children attend school regularly, can they take full advantage of the educational opportunities available to them.

In addition to this, the academy promotes an environment where children feel safe and valued.

Strategies to celebrate and promote attendance at the academy include:

- Targeted assemblies
- Rewards
- Attendance cards
- Praise and acknowledgment involving students and parents/carers

7. Attendance monitoring

Monitoring attendance

The academy will:

- Monitor attendance and absence data weekly, termly, and yearly across the school and at an individual child level
- Identify whether or not there are particular groups of or individual children whose absences may be a cause for concern
- Ensure that attendance is a standing item on the agenda at Academy Leadership Team meetings and children or groups of children who are cause for concern are discussed and a plan is put into action
- See that monitoring takes place as part of a whole school priority and starts within the classroom itself
- Monitor itself against local, regional and national data regularly and take action to improve attendance where needed
- Regularly feedback to the governing body its attendance data and actions taken to ensure attendance remains a key focus and priority for the whole school

7.1 Analysing attendance

The Academy will:

- Analyse attendance and absence data regularly to identify children or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these children and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.2 Using data to improve attendance

The Academy will:

- Provide regular attendance reports to all teaching staff, and other school leaders, to facilitate discussions with children and families at the earliest opportunity
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.3 Reducing persistent and severe absence

Persistent absence is where a learner misses 10% or more of school, and severe absence is where a learner misses 50% or more of school.

The Academy will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings and work alongside parents of children who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school and ensure children are accessing the education to which they are entitled
- Offer Early Help Support where necessary, and other attendance support, to support better school attendance
- Provide access to wider support services to remove the barriers to attendance

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually. At every review, the policy will be approved by the board of governors.
